## Format

The format for this year's tournament will be a **Stableford format**. Unlike traditional scoring methods, where the aim is to have the lowest score, the objective in a Stableford tournament is to have the highest score. Stableford awards points based on the number of strokes taken at each hole. The winner of a tournament is the team with the highest total points.

Additional information and rules for this format will be released closer to the tournament date.

## Mulligans

Mulligans can be purchased during registration for \$5.00 each. Limit 2 mulligans per golfer. Proceeds will be donated to the [John G. Burton Endowment Fund](#)!

*The Alabama League of Municipalities in cooperation with The University of Alabama College of Continuing Studies established the John G. Burton Endowment fund to provide financial assistance to municipal employees for training relevant to their positions as City Clerks, City Administrators or Revenue Officers. Priority for this scholarship is given to municipalities with a financial need. John G. Burton, Mayor of Jasper from 1932 until 1946, served as the first president of the Alabama League of Municipalities in 1936 and held an executive position on the board for eight years.*
