Web Developer Assistant

VC3, an innovative, growing IT services solution provider, headquartered in Columbia, SC is seeking to fill a **Web Developer Assistant** position for our Web Development Team. This is an exciting opportunity to join our team of passionate web designers and developers who build and maintain our premium website product.

Responsibilities include editing, troubleshooting, and maintaining websites across various platforms. As a key member of the Web Development Team, this person will work directly with clients, designers and developers to solve technical problems, provide customer support, and assist in project development.

Here's what we need from you:

- High School diploma required; associate's or bachelor's degree preferred
- 1-3+ years of experience in a similar role
- A willingness to learn and a desire to improve web design and development skillset
- Must be self motivated, detail orientated, highly organized and able to handle a variety of tasks and responsibilities in an effective manner with a high level of quality
- Creative problem solving and decision-making skills
- Ability to troubleshoot website issues
- Ability to work independently and as part of a team
- Excellent time management skills and the ability to work within tight deadlines
- Strong oral and written communication skills
- Desire to provide the highest levels of service to clients
- Ability to grasp and learn new technologies quickly

These are the technical skills that you will need to have:

- Standards-based web technologies, including HTML5 and CSS3 (SASS/LESS knowledge preferred)
- jQuery/Javascript
- PHP, .NET or other object oriented programming
- Experience working with Content Management System platforms (Drupal experience preferred)
- Photoshop or related Adobe Creative Suite programs preferred

And, here is some additional info you will want to know:

- Work Schedule: 8am-5pm, Monday – Friday
- Applicant selected will be subject to a criminal, credit, and department of motor vehicles background checks and must meet eligibility requirements for access to classified information
- VC3 offers a great benefits package, including 401k matching
